Annual Civil Contracting Volume

- Volume is defined as total dollars paid/expected in the immediate past membership year (2016) on public owner projects (as a contractor, sub-contractor or through subsidiary operations) within Ontario for all types of transportation infrastructure including construction of, and components of, roads, highways, bridges, transit, rail, airports and marine transport and maintenance.
- The volume payment is based on total annual payments and includes all project costs (i.e. supplies and sub-contractor costs).
- Includes parent company, plus 100% owned contractor subsidiary companies.

The undersigned hereby verifies they are a corporate signing officer of the Company and that the above information is true and accurate.
