

CONTRACTOR MEMBER

WORKING TOGETHER TO KEEP ONTARIO MOVING

The Ontario Road Builders' Association is a member driven association - Joining ORBA is an investment into your company and in the future of road building. Join ORBA to get inside access to exclusive events, continuous education, sponsorships and exhibitions, to have an impact on government and to contribute to a great industry.

GET. CONNECTED

In this world, it is about who you know, and ORBA member exclusive events throughout the year will give you many opportunities to grow your network and develop new business.

GET. AHEAD

Get insider knowledge into the transportation infrastructure industry, with industry standards and best practices and changes in legislation and regulations. You also get instant access to the MTO Bidders list as well as regular updates.

GET. RECOGNIZED

Contractor members can enhance their company reputation with fellow contractors, the MTO and their local municipalities through the ORBA membership.

GET. CURRENT

Receive regular communications on industry developments and policy issues. Receive Information Highway Newsletters, Road Builder Magazines and Asphalt Topics Magazines throughout the year.

GET. VALUE

The ORBA Advantage program can take your savings to the next level. Members have access to exclusive discounts on a number of professional resources including gas, shipping, communications and more.

GET. INVOLVED

Have a voice and be a part of the conversation. Join a committee, working group or workshop to provide support and help shape the industry.

GET. EDUCATED

ORBA is a premier provider of industry relevant education including webinars, online courses, workshops and the annual Road Building Academy.

GET. INFORMED

Connect directly with decision makers and work with the Government Relations team to advocate for the Transportation Infrastructure industry in Ontario.

ORBA membership includes membership with the Ontario Asphalt Pavement Council. OAPC is recognized as the authoritative voice of the asphalt producing industry in the province of Ontario and is committed to promoting the use of hot mix asphalt, advocating for safety in asphalt production and encouraging high quality business practices and standards.
