FOR THE EVENT

ARF Asphalt Research Fund (ARF)

The goal of the Asphalt Research Fund (ARF) is to support made-in-Ontario asphalt research that will stimulate, facilitate, and expedite the deployment and adoption of new and innovative technology relating to asphalt pavements. Raising funds for ARF through OAPC's Auction for Asphalt Research & Advocacy is a long-standing tradition at Fall Asphalt Seminar. Since 2003, the combination of generous donations and bids made by OAPC members has resulted in over \$632,000 being raised for ARF.

To donate to the Asphalt Research Fund through OAPC, contact OAPC at 905-507-1515.

Join us for a special evening to celebrate the hard work of our industry and our partners who support us throughout the year. Enjoy networking with industry colleagues over dinner.

Don't miss the Live Auction for Asphalt Research—your support will make a difference!

Let's come together to honor our achievements and look ahead. Reserve your spot today.
