May 1 – June 26 – From 12 – 1 p.m.
COVID-19 & The Road Building Industry Webinar Series

May 1 - Occupational Health & Safety – What inspectors are looking for and how to prepare
This webinar will provide viewers with information on what to expect from inspectors during the COVID-19 pandemic.

Highlights
• Overview of health and safety best practices related to COVID-19 and available resources to help.
• The bigger picture: Not losing sight of overall safety initiatives and programs during the COVID-19 pandemic.
• Business continuity in the COVID-19 era and tips on how to adapt.
• Internal compliance and best practices on meeting all health and safety requirements.
• Health & safety issues to consider when implementing additional measures related to COVID-19.

Panelists
Paul Devoe, Manager Regional Operations, Infrastructure Health and Safety Association (IHSA)
John Savoia, Senior Manager, Health and Safety, The Powell Group LLC.
John Serafini, Manager, Health and Safety, Dufferin Construction Company
Cindy Wilkins, Senior Manager, Health, Safety and Environmental Affairs, The Miller Group
COVID-19 & The Road Building Industry Webinar Series

May 8 – Innovative Solutions in Worksite Safety
Health and safety practices are evolving in the midst of the COVID-19 pandemic. This webinar will discuss innovative solutions and best practices in implementing solutions during this unprecedented time.

Highlights
• DIG-CON’s development of portable, foot-pump operated, hand sanitizing stations and overview logistics implementing the stations, how they function, costs and the benefits for workers now and beyond the pandemic.
• Pioneer Construction’s implementation of thermal temperature screeners and overview of health and safety measures around temperature readings.
• Unique challenges of working in Ontario’s remote norther regions and approach toward the logistics of daily business practices during COVID-19.
• Protect Technologies overview of AEGIS Microbe Shield, used by Metrolinx and Go Transit.

Panelists
Sam DiGregorio, President & CEO, DIG-CON International Ltd.
John Scanlon, Safety Manager, Pioneer Construction Inc.
Malcolm Croskery, Chief Operations Officer, Pioneer Construction Inc.
Colin Dickey, President, Protect Technologies
