Please indicate that you have attached the following to this application:

Proof of enrollment in their final year of a Civil Engineering/Technology/Technician program at an Ontario University.

Official transcript of your marks and progress in your program, including the most current information available.

An essay, not exceeding 500 words, describing why you are pursuing a post-secondary engineering or engineering technology education and discussing your goals in pursuing a career in civil engineering/technology.

Current Resume: Past work experience, including full-time, part-time and summer work, with employer letters of reference. Highlight any experience directly related to the civil construction or broader construction industry, including work at an ORBA member company.

Testimonial Letters (3 recommended): Information about activities, special projects or volunteer activities that demonstrate a commitment to your local community, school, sports team or charitable organization. Testimonial letter can include educators, church, sports or volunteer organizations.

Indicate if you are related to the owner of or employee at an ORBA member company.

This form is fillable, please download and type in your information and check all boxes to confirm your submission is complete.

Submit your application no later than November 28, 2022 to:

John Provenzano at john.provenzano@orba.org
